

ANCIENT CIVILISATION RESEARCH TASK

Now that you know how to use sources as pieces of evidence, we would like you to research an ancient civilisation and create your own sources!

STEP 1: Choose from one of these **ancient civilisations**:

- ❖ The Mayans
- ❖ The Incas
- ❖ The Chinese
- ❖ The Israelites
- ❖ The Egyptians

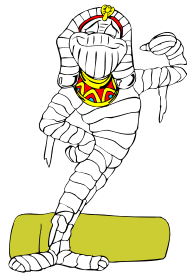

STEP 2: Now create a primary and a secondary source for your civilisation that will provide historical evidence for historical research.

Your primary source must be either:

WRITTEN

ORAL

MATERIAL

STEP 3: Create a secondary source by writing a paragraph about your primary source, explaining what it is and how it could be used for historical research.

Ancient Civilisation Rubric		/5
Learner shows understanding and creativity in her example of a written, oral or material source.		
Learner shows clear understanding between a primary and secondary source.		
Learner can explain the historical significance of the primary source she has created.
