# DATA HANDLING

Redraw and complete the bar graph below showing the types of dogs participating in a dog show and then use the information to construct an accurate pictograph. Don't forget your headings and spacing!

Legend:
- Saint Bernards
- Corgis 5
- Labradors 12
- Staffies 11
- Collies 2
- Poodles 1
- Dalmatians 6

Answer the following questions:

1. How many dogs were at the show altogether?

2. How many more Staffies were there than Dalmatians?

3. What was the least popular dog at the show?

4. Which two types of dog were equally represented?

5. Write your own question about the data provided and supply a suitable answer.
